FESTIVAL INFORMATION

Welcome to Fringe!

Elgin joined the worldwide Fringe movement in 2014 by bringing artists and audiences of all kinds together in an eclectic mix of venues in our historic downtown center. Over the past decade, we've hosted hundreds of artists, performances, and thousands of guests for original theatre, dance, music, comedy, magic, and the undefined. Our eleventh festival welcomes perennial fan favorites, emerging artists, and original material that offers something for everyone.

Fringe Central

Fringe Central is THE location for purchasing Festival Entry Buttons, performance tickets, merchandise, viewing and purchasing EFF visual art, picking up tickets and buttons purchased online, and inquiring about any of the shows and artists. Fringe Central is at **Side Street Studio Arts, 15 Ziegler Ct.**, near the corner of Spring St. and Chicago St. Free street parking is close by. See the Festival Map on the back of this program for details.

Festival Entry Buttons

A Festival Entry Button is **REQUIRED** for each person attending a performance (even free ones) and for entry to the Visual Art Exhibit. Your one-time **\$3 button purchase** allows you to buy performance tickets and helps this volunteer-run, small-budgeted festival keep afloat! You are also investing in our growing local arts movement-**100% of all ticket sales go directly to the artists!**

Tickets and Passes

After you've bought a Festival Entry Button, you may purchase individual show tickets at **Fringe Central** or elginfringefestival.com.

All performances, even the free ones, require physical tickets (yup, paper) for entry. Sorry, no downloadable tickets—we're old school like that! That means **ALL Fringe attendees MUST VISIT FRINGE CENTRAL to pick up physical tickets and buttons for show entry!** Please plan ahead! No tickets are available for sale or pick-up at Fringe Venues.

We also offer a **FESTIVAL PASS** for \$95! Not only does this slick laminated pass make you look cool, it also allows you entry to ALL Elgin Fringe shows AND includes a Festival Entry Button!
